CALLING PARTY PAYS SERVICE OPTION IN THE COMMERCIAL MOBILE RADIO SERVICES. Began inquiry to explore means of encouraging and facilitating competition in the local exchange telephone market, and to increase consumer options for local telephone service. This Notice explores the subject of CPP in order to develop a record for determining whether the wider availability of CPP would enable CMRS providers to more readily compete with wireline services provided by LECs, and for determining whether there are actions that the Commission could take to promote the wider availability.
